

St Bernards Buzz

VOLUME 7, ISSUE 12 DECEMBER 2021

Merry Christmas!

From all of us to all of you, thank you for being such a special part of the St Bernards Road community and riding out the waves of 2021. We've especially loved seeing you and your pets in the clinic and value the enjoyment you've brought to us this year!

We hope you can reunite with your loved ones, have a peaceful time with your family – both 2 legged and 4 legged – and enjoy whatever celebrations the Holiday Season sends your way.

Jenni, Ru, Leo, Amy, Mary, Ashleigh, Rosalie, Rebekah, Georgie, Brianna, Meghan, Tahlia, Caitlin and of course, Freckle and Sumo

Normal opening hours resume Tuesday 4th January 2021, 8.00am – 6.30pm

Need food or medications for the holiday season? Best to call no later than Monday 20th December

Patient of the Month ~ Mona

There's much to think about when getting a new puppy and Mona, the 10 week old Pomeranian, is off to a fantastic start thanks to her caring human Dad. She's had vaccinations, worming (intestinal worms and heartworms), flea control, a thorough vet check, loads of affection and also started Puppy School. Training and socialization is one of the most important things that you can do for a new puppy when it joins your family. Sound training and good social skills are as important as vaccinations and parasite prevention for the health and wellbeing of your new puppy. We can help you navigate through the puppy path of vaccinations, parasite prevention, microchipping, feeding, puppy pre-school, council registration and more. Please call or drop in and have a chat with one of our friendly team members to arrange a free nurse consult for you and your puppy.
